

## All-India Forum for Right to Education (AIFRTE)

### Referendum for an Equitable & Free Education Policy (Jan-Feb 2019)

If you agree, tick on (✓) Yes & if you disagree tick on (✓) No.

1	Stop all forms of commercialization including PPP (Public-Private Partnership), sale and profit making in education.	Yes	No
2	Stop weakening, closing and merger of government schools, colleges and universities and ensure free education of equitable standards with social justice to all children and youth from 'KG to PG', including professional education, through strengthened, enriched and fully-funded public education system.	Yes	No
3	Stop centralization and bureaucratic control of education, ensuring federal rights of the states in policy formulation and democratic right to dissent of the students and teachers in educational institutions.	Yes	No
4	Re-establish the critical and emancipatory role of mother tongue from 'KG to PG' in acquiring and producing knowledge; learning other languages including English; accessing jobs, entering new careers and earning livelihood with dignity; promoting equality with social justice across various classes, castes, religious and linguistic minorities, gender divide and regional disparities; and, thereby enabling the country to move forward like all those nations which have successfully relied upon the policy of education through mother tongue.	Yes	No
5	Eliminate communalism, <i>manuwad</i> , patriarchy, massive exclusion of <i>bahujans</i> , hegemony of 'normal' body over the disabled and elitism in education by guaranteeing education in conformity with the Constitutional values of democracy, secularism, socialism, fraternity, liberty, equality and scientific temper.	Yes	No
6	Eliminate the anti-people and anti-national role of the agencies of global capitalism like the World Bank, World Trade Organisation, IMF and other international funding bodies in India's education in order to restore India's sovereignty as per the Preamble of the Constitution.	Yes	No
7	Raise the standard of all the government schools to that of <i>Kendriya Vidyalaya</i> (Central Schools).	Yes	No
8	Implement the August 2015 order of Allahabad High Court across the country through a central legislation making it mandatory for everyone receiving any money or benefit from government to send their children to neighborhood government schools.	Yes	No
