

To Shri/Smt/Ms....., M.P,
XXXXXXXXXX Parliamentary Constituency,

Dear M.P,

Please oppose 'Foreign Educational Institutions Bill', 'Innovative Universities Bill', 'Educational Tribunals Bill', 'National Accreditation Bill', 'Unfair Practices Bill' and 'National Council for Higher Education and Research Bill'. Please also demand immediate withdrawal of Government's 'offers' to bring Higher Education sector under WTO. All the above bills and 'offers' will only intensify commercialization of education and pose a serious threat to merit, social justice, academic independence and national sovereignty.

Sincerely yours
